

About Me!?

Pratiwi Rahayu

Hallo! i am a motivated individual with a strong interest in Computer and Network Engineering. I am interested in developing my skills in computer installation, network configuration, troubleshooting, and basic technology support.

I am eager to learn new things, responsible in completing tasks, and able to work both independently and as part of a team. I am also open to gaining new experiences that can improve my knowledge and skills in the technology field.

love :3
